

a new long distance walk

PEAK PILGRIMAGE

NEW

The Peak Pilgrimage is a 39 mile spiritual walk designed for people of all walking abilities. It enables the beauty of creation, the atmosphere of the churches along the way, and the heroism of the people of Eyam in the face of the plague in 1665 to touch your soul.

You can take anything from two to seven days over your pilgrimage, with lovely places to stay each night. Or you could cover the route in a series of day trips.

See the website for details and to order your walking guide:
